Color Selection. List the colors you would like to see used in your logo design.

Please note: Our design team will use these colors as a starting point. We will also give you logo concepts with colors we feel work best for your industry.

Color 1: _____ Color 2: _____ Color 3: _____ Color 4: _____

Remember: The more colors you use the more it will cost to print your logo. We would suggest keeping your logo design to 2 colors. This will result in a cleaner look and will reduce your printing cost.

Do any images / ideas come to mind when you think of your logo?

This will help our designers develop a solid creative direction for your new logo.

Font Selection: Our design team will use this font as a starting point. we will also give you logo concepts with fonts that we feel would appeal to your target market and best represent your business image.
